

REMARKS

Restriction

A Restriction Requirement was made between the three groups of Claims, Group I, Claims 1-4, drawn to a radiological panel; Group II, Claims 5-8, drawn to a radiographic panel wherein one faces heat and the other faces cold; and Group III, Claims 9-12, drawn to a radiographic panel with bent support.

Applicants hereby elect Group II, Claims 5-8, the radiographic panel wherein one faces heat while the other faces cold.

In a telephone conference with the Examiner on June 7, 2005, it was noted that there were three Groups of claims as outlined above, not two as recited in the Office Action. This Election is to the middle Group, Claims 5-8.

This Election is made without traverse.
